~Move in for Christmas!~ Nestled in a sunny glade amongst towering eucalypts, pine trees and palms, this delightful circa.1930s workers cottage enjoys a private position upon a lush half acre. Utterly charming right from the front gate, you'll be immediately captivated by the tranquil vibe, the abundant greenery, and the beautiful sounds of the prolific birdlife but it's the enchanting abode that will really catch your eye.

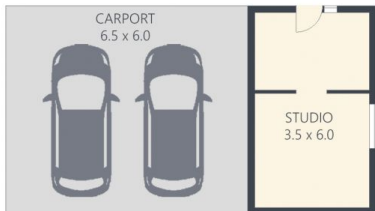

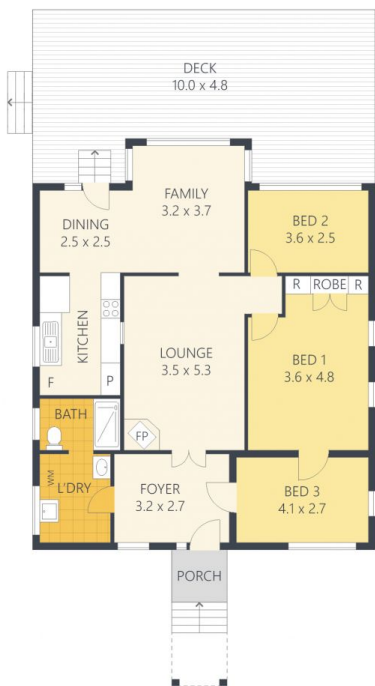

Gorgeous heritage features such as the polished hardwood floors, VJ walls, original timber windows, and leadlight accents throughout will delight you, while the vegie patch, chook run, rainwater tank and spring-water bore will place you on the path to self-sustainability. Located separately to the house is the wonderful studio, all set up with lights, power and aircon, this is the ultimate work-from-home solution, or even a potential guest cottage.
