Set in an enclave of newly built dwellings, this is a one-off opportunity for an astute buyer or investor to purchase a stunning designer home.

The spacious North facing main living area with soaring square set raked ceiling opens up to a covered alfresco area overlooking a landscaped nature reserve.

The kitchen truly is the hub of the home with its all white palette, stainless steel appliances, ample storage and stone top island bench.

Banks of louvres and glass sliding doors enhance natural light and cross-flow ventilation throughout the open plan kitchen, living and dining areas bringing the outside in and reducing cooling costs.
