Property Lane Realty are proud to have sold this extraordinary property prior to reaching the market - in quite extraordinary circumstances! This 26 acre farm was filmed for the Channel 9 show 'Country House Hunters' hosted by Catriona Rowntree, and our buyers appearing on this episode genuinely fell in love at first sight!

Land Size : 104900 sqm

It's always a privilege to be part of the property journey for both our sellers and buyers, and we are all agreed it was certainly serendipitous, the right people definitely arrived at the right time, and can now continue breeding fat happy cows on this very pretty farm.
